Gloria,

All prior agreed changes now appear in black.

Entries highlighted in red are your latest changes.

Entries highlighted in blue and my additions.

Linda is checking both for grammar.

We only have two items we need to resolve (questions 8 and 8A).

I'll be working on boxes on the 8<sup>th</sup> floor this morning till 11:00. Can we meet at 11:00 to discuss questions 8 and 8A?

Hi Bob:

The NORCO 104e, as revised on April 1, is fine. I have tweaked the Lazarus 104e. Please see attached. Many of my edits are not indicated in redline or strikeout, however, I did include a few that we can discuss on Thursday morning, if you are free.
